This is a series about the adventures of pilot Gabriel Messine during World War II in Europe and North Africa. From the Spanish Civil War to the Battle of Britain, with a little detour via the French Resistance, Gabriel demonstrates his ability to carry out highly dangerous missions in legendary planes like the Hurricane. Between December 1938 and summer 1941, the young Messine, after experiencing the disillusionment of the Spanish Civil War and wartime France, finds himself once again in an RAF combat zone during the Battle of Britain. But his destiny is bound up with the beautiful Catalane Elena and gorgeous redhead, Margaret.
