In a Simenon-esque environment and with Audiardian dialogues, detective Gil Jourdan and his assistant, the repentant burglar Libellule, conduct their investigations. Assisted by inspector Croûton, an efficient and honest policeman with an incredible ginger moustache, they face one after the other drug traffickers, ghosts, dictatorial regimes and international saboteurs.

In this series

Les Trois taches

Pâtée explosive

Les Cargos du crépuscule

Chaud et froid
