"In 2550, Earth is in ruins, populated by zombie cannibals and plagued by acid rain. No, life is no longer beautiful.

In this chaos, a strange scarred survivor (the visitor) and his friend Dr. Castafolte leave in search of new allies in order to prevent the end of the world.

They then go back in time to recruit to their team some of the greatest historical figures... And who is greater than... Alexander the Great?!! "
