## La Guerre des Boutons - intégrale

Publisher: Dargaud Genre : Action & Adventure

On their way to school, Tigibus and Grandgibus, two young boys from the Longeverne village are attacked and insulted by the gang of Velrans. When the children from Longeverne understand that this is a serious affront, their leader - Lebrac - launches a punitive expedition at night. "All o' di Velrans fi creepy" is written with white chalk on the wall of the church of the village of Velrans. The war of the Buttons has just started!!!
