In the forests of Dartmoor, creatures of legend hide in the treetops, swim in the rivers, and roam the hills... but they're invisible to those who do not know how to look properly. Scrubby, a child of the fairies swapped at birth with a human infant, has inherited this wonderful gift. With a little help from the Wise Man of Wistman's Wood, his eyes are opened to the secrets of the moors. And even when he is forced to leave his forest for Victorian London, his forest never leaves him...
