VOLUME
1

FORMAT
201 * 267

RELEASE
29/03/2019

Entering life at the French royal court,
a world in which “what is shown is rarely the truth,”
the young Princess of Clèves learns of passion’s torments,
of heartbreak, and of the agony of love.

Claire Bouilhac and Catel Muller’s graphic-novel adaption of this classic tale—often referred to as the forerunner of the modern psychological novel—remains faithful to the original 17th-century text, while also providing surprising and original insight into both the mystery of the creative act, and the link between the author, Madame de La Fayette, and her heroine, the Princess of Clèves.

Le roi Henri est amoureux depuis plus de vingt ans de Diane de Poitiers, duchesse de Valentinois.

Bien qu'elle soit beaucoup plus âgée, et ait été la maîtresse de son père, il reste passionné.

La reine Catherine semble le supporter, mais il est difficile de juger de ses sentiments.

Madame Élisabeth de France, leur fille, est d'une incomparable beauté.

Marie Stuart, reine d'Écosse, vient d'épouser leur fils, dauphin du royaume.
