An exiled princess, a knight and his young companion travel across a kingdom in turmoil to rally support so the princess can reclaim her throne. On a journey fraught with danger, they briefly find sanctuary in an isolated community of woman warriors before departing for the city of Ohman. Not only is a mysterious treasure said to be hidden there, but a peasant uprising, inspired by a mythical text about equality, is in full, bloody swing. In the first volume of this sweeping graphic novel, each person's convictions will be put to the test.
