It's summer on the coast of Normandy and the Zampano circus is in town with an extraordinary show: Jonas, the ape-man... On the radio at the icecream stand, we overhear the update on Claire Dulac, who is leading the solo transatlantic race somewhere on the ocean. Just as she tells them that everything is going well, she gets rammed by a huge cargo ship... On the beach, the show has begun. Jonas, a very charming young man, draws our attention to a little stuffed monkey...
