Princess Natty, of the Kingdom of Orchidhistan, is bored in her palace. She would prefer to go out and meet her people, whom she doesn't know at all, but that isn't allowed. And now she's supposed to be married. Natty refuses to be forced into marriage, and flees the palace, hoping to hide in the poor, sun-starved areas of the city, where the people suffer from a terrible skin disease. But she has no idea how to navigate the unknown world of the Untouchables. Luckily, a mysterious someone comes to Natty's rescue. Who is he? Will they be able to escape their pursuers from above? Will Natty's flight from the palace plunge the kingdom into war?
