'Redakai: Conquer the Kairu' finally arrives in comic book form! Volumes 1 and 2 dive straight into this thrilling tale of Good vs Evil...Ky, Maya and Boomer are the three warriors in training in a race around the world, and against the clock, to collect the Kairu energy that was dispersed on the surface of the Earth, and thereby save the universe! Episodes 1 and 2 take place during a training session for our three heroes, and many painful memories from the past will reemerge over the course of their journey. Why did Lokar, Maya's grandfather, turn to the side of Evil? Why was Baoddai not able to stop him? Back then, Lokar and Baoddai were young disciples in the way of the Kairu; they were friends, almost brothers, but their fierce competition tore apart their bond.
