Rollergirl sur Mars - Intégrale

Publisher: Dargaud ${\tt Genre}: \textbf{Sci-Fi}$

PAGES

Trish Trash is a 15-year-old girl from Mars (7 ½ in Martian years) stuck between school and work in the fields. Trapped in this tiring and futureless life, she throws herself headlong into her one passion: hoverderby, the most popular sport in the galaxy. It's her best shot at a better life, and also a chance ${\bf r}$ to discover the immense universe and its mysteries... Because, hidden in the shadows of this dusty planet, the Martian natives are still here, causing fear and distrust in the colonies...

An intriguing sci-fi adventure in 3 volumes, published together for the first time!
