In an enormous world capital in a near future after the "great collapse," a few bands of children survive. They hide in sewers and cellars out of the way of robots patrols constantly in search of anything alive. Trapped by a robot unit, Yann finds himself at their mercy. But one robot seemingly called S.A.M. suddenly defends Yann against his enemies! From that day on, Yann has only one goal: to discover where S.A.M. came from, why he spared Yann's life, and what the initials mean. From this encounter, Yann will come to learn why the world was destroyed, and whether or not a new one can be created again.
