In 1808, the Spanish fought against the army of Joseph Bonaparte, Napoléon's brother. Among them, Angel Talavera leads his own army of guerrilla fighters. Though originally of peasant stock, he climbs to the ranks of the nobles he fights alongside, to the point of provoking jealousy and the desire for vengeance! The secret of his birth could well undermine the dreams of freedom and emancipation that he nurtures. A new adventure for the 'Secrets' collection, filled with action and defiance.
