Returning to Craw County, Earl Tubb has only one thing on his mind: empty the house of the old uncle Buhl and get out as fast as possible from the little town in Alabama he left 40 years ago. A quarrel with the locals at the town diner is enough to transform his trip into a living hell. A hell specially designed by Eules Boss, the soccer coach, a sworn enemy to sheriff Tubb, Earl's uncle.

In this series

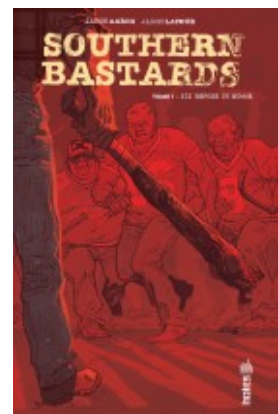

Southern Bastards Tome 4

Southern Bastards Tome 3

Southern Bastards Tome 2

Southern Bastards Tome 1
