Nathan Bright had it all: an awesome girlfriend, a kickass dog, and a job as the number one weatherman on terraformed Mars. But when he's accused of carrying out the worst terrorist attack in human history—an event that wiped out nearly the entire population of Earth—Nathan becomes the most wanted man alive and a target of a manhunt that spans the galaxy. But is Nathan truly responsible for such a horrific crime? And why can't he remember? Writer Jody LEHEUP (SHIRTLESS BEAR-FIGHTER!), artist Nathan FOX (DMZ, HAUNT, Dark Reign: Zodiac), and colorist Dave STEWART (Hellboy, RUMBLE) present a full-throttle, widescreen science fiction epic about the damage we do in the name of justice and what it truly means to be redeemed...
