Viny K. is a gonzo journalist who attends Narcotics Anonymous meetings. He is touched by the sadness and the distress of a woman that he meets there. She is a mother whos daughter, Lolipop, a young lady with the face of an angel, is a drug addict and has recently disappeared without leaving an address. Viny decides to help her mother and go looking for the young woman. The investigation will take him to India, at the heart of a community with slightly strange sexual practices...
