The "Version Originale" collection presents the storyboards by Franquin, reproduced and published in the format in which they were designed. The work of a duo (the right hands of Franquin and Jidéhem), one can thus detect the virtuosity of the trait, the construction of the outlined features, remorse carved with a razor blade or features erased with strokes of gouache. One way of immersing oneself in the creator's work

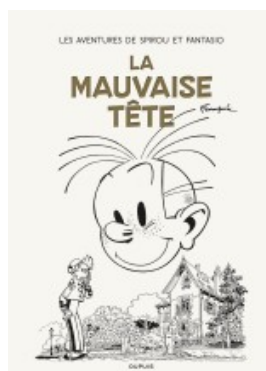

In this series

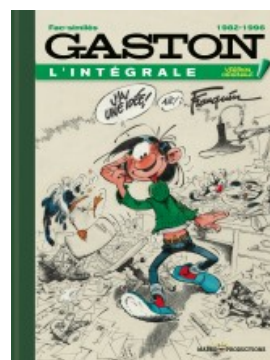

Le dictateur et le champignon

Le Marsupilami de Franquin

La mauvaise tête VO

Gaston VO 1982-1996
