It is the 21st century, and to receive his inheritance, Vlad, an ex-captain of the idle Russian army, must find his twin brother Igor at any cost. Unfortunately, Igor has disappeared, taking with him a file that a lot of people seem to be after... a file which has already cost the life of the head of the Kremlin. Following in the footsteps of his brother, who is the exact opposite of himself, Vlad is dragged into a breathless race to stop the progress of an infernal machine designed to upset the world balance...
