Mysterious vessels have disrupted the harmony between the indigenous population and the human colony on the planet Zarkass. Two agents are sent to investigate: Louis and Marcel. According to their official cover, they've come to study the local flora and fauna and Zarkassian customs. But their real mission is to make their way into the forbidden zone to examine the wreck of one of these vessels. But in the middle of the threatening jungle, the two agents will soon begin to suspect that each of them is hiding the real reason behind their presence...
