DOGGYBAGS ANTHOLOGIE

By Collectif

Publisher : **Dupuis**

Genre : Suspense & Thriller

PAGES

RELEASE 09/03/2018

Need a triple dose of adrenaline?

More brutal than a bullet to the head and more vicious than having your teeth pulled out by a crowbar, DoggyBags is a tribute to the pulp fiction and horror comics of the fifties which is anything but delicate: the car engines roar, guns fire and blood flows freely in good times and bad. Get our your doggie bags, because there will be meat left over!
