Sybil, the fairy, explains to Nina that she's come to help her with her day-to-day life. Chores, homework — everything's easier when you've got a fairy for a friend.

But, alas, reality turns out not to be so simple. With the arrival of a wicked fairy, a giant monster, a pharaoh who's escaped from the past and four masked strangers with mysterious powers, Nina's life is about to get a lot more complicated ...
