Paillasson is a little hedgegie. Having had a good night's sleep and still only half awake, he finds himself in an embarrassing position: he is hungry but doesn't know what to eat. A snail suggests he go looking for an "earthworm," but what on earth could that be? Fortunately, Paillasson soon meets a strange creature—long and thin with its legs all worn away—who is happy to help him find what he is looking for. After all, thinks Paillasson, this creature seems pretty "earthworm" itself...
