04/11/2016

Spirou and Fantasio have decided to get jobs. They're open to anything and pulling out all the stops. From ambassadors to gas station attendants, artists to firemen, anything goes. They somehow manage to get hired despite their incompetence, and they are both now desperate to prove their worth.

In his deliciously vintage style, Alec Severin creates a sequence of comedy sketches that readers of all ages will adore. A master stroke!

### In this series

À tous les coups c'est  
Spirou !
