All Watcher, 'he who sees everything,' is the wealthiest man in the world. The IR\$ has noticed money vanishing without understanding how. They call it the 'black hole' phenomenon.

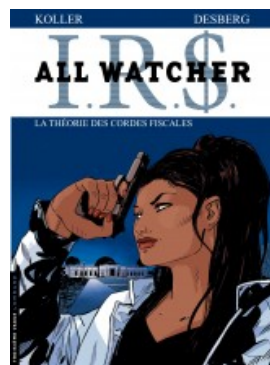

The album Antonia takes place just after IR\$ 10, The Assassins' Guild, and brings that story to a resolution. It is a bridge between the series IR\$ and the series All Watcher.

In the previous album, Antonia kills a man who will later turn out to be All Watcher's son. In 8-page sequence Larry and Mia Mai, two other IR\$ agents, plot to use Antonia as bait to trap All Watcher. They pursue her, and find themselves in a large room, confronted with nine people. Any one of them could be All Watcher...
