Aubépine likes her life just fine in the city. So when her parents announce a move to the mountains in the middle of nowhere, it's safe to say she isn't thrilled! There's nothing to do and no one to talk to, except for an odd old shepherdess and her woolly dogs... and a treacherous genie? Perhaps Aubépine won't be so bored here after all, as she faces mounting magical threats with each passing month!

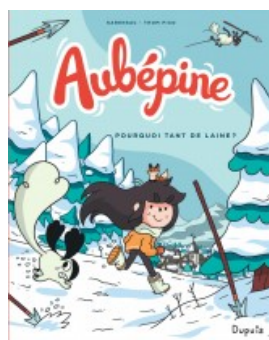

In this series

La fin de tout (et du reste)

Le Génie Saligaud

Pourquoi tant de laine ?

Le renard furax
