In the first cycle, Jan, Blanche and the dreamy Abler discover the secret of the sky, and what lies beyond: the 'Other World'. And now, they are back to visit the dark side, hidden in the bowels of the Earth: Hell. The adventure begins in the dead of night when Jan is bitten by an evil leprechaun. The bite turns out to be fatal, leading to Jan's disappearance underground. But Blanche and Abler won't give up until they find him, certain that they will find a way to bring their friend back to life...
