Created in the aftermath of the Second World War by Georges Troisfontaines, Jean-Michel Charlier, and Victor Hubinon, Buck Danny is in the pantheon of the best-loved heroes of the graphic novel. Originally published in the Spirou magazine, the adventures of Buck Danny combine historical references and amazing turns of events. The true-to-life detail of the drawings has been lauded continuously throughout the years. This is a graphic novel for the ages, re-edited here as an omnibus edition!
