A thick mop of blonde hair, a mischievous smile, short little legs ready to run into any adventure, no matter how foolish it may be...Meet the naughty Caterina, a daring little girl with no shortage of determination! Small in size but not in character, she's not afraid of anything, especially not the challenges that her friends, Gigetto and Manuele, throw at her!

In her imaginary world, everything is fantasy, poetry and humour. We come across the wackiest of characters, from the ugly fairies to the dwarves with teeth that any dentist would shrink from
