Being a kid can be pretty tough sometimes, what with a teacher, a school shrink, nosy parents, rowdy pals, and a temperamental girlfriend to handle all at once. Is it surprising that Cédric finds it hard to keep his cool? For the better part of it, Granddad is always at hand, be it when badly hit or to hit badly. A family classic, this is one that appeals to all generations.

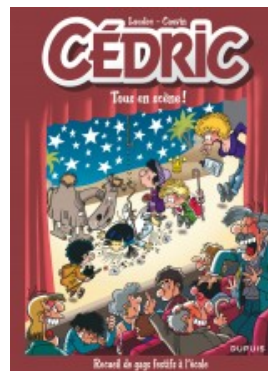

### In this series

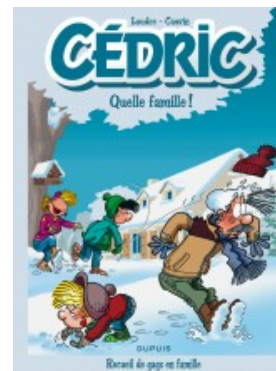

Merci Pépé Noël !

Drone d'anniversaire !

Tous en scène !

Quelle famille !
