On April 5, 1510, a beautiful and noble lady gets out of a carriage and abandons a new-born baby boy at the front gate of the Clos-Lucé castle in Amboise. He is taken in by the servants of Marguerite d'Angoulême, sister of the future François I, a woman of letters and influence. The child has no name, just a beautiful necklace.

In this series

Le Roi assassin

L'héritier de Da Vinci
