A day in the life of a normal schoolgirl and her best friend. But is she as happy as she thinks?

Claire's birthday is a month away, but she is already preparing for it because nothing is more important to her than a day when she will be the center of attention. And there is a lot to think about: the music, the cake, the invitations... But if she tries to control everything, will she miss out on what is most important?

In this series

Reine du jour !

Joyeux Prémensiversaire !
