After the publication of the law, super-heroes, who are the guardians of the world morality, are present in almost every advertisement, praising pizza and dish-washer product brands without discernment. In fact, the Corporation manages their copyrights for a mere 50% commission tax. And this new profitability prevails on everything. Nostalgic people, belonging to a different ethic, are then obliged to become clandestine. And the fight starts, with its uncertain ending...

In this series

Le Grand Exil

La république des
monstres

Feu Mister Mercure
