Here, for the first time in the history of the world, brought together in one volume, are all the strips of "The Masked Cucumber" that ever appeared in Pilote magazine, the legendary journal of the 9th Art. Rediscover the Cucumber and his friend the Cabbage in their vegetable garden adventures. A masterpiece of humoristic madness and psychoanalysis that's got the vegetable into the Pantheon of the comic book.

In this series

La Vérité ultime

Le Monde fascinant des problèmes

Le Bain de minuit
