Vincent, a thirty-something year old man, comes accross an old man on the road. On their way, they also meet Rose, a young woman who spices up their journey. When one of the most innovative and audacious of authors of the decade produces a road-movie style comic, we know it'll leave us far from indifferent. 'Le Constat' is a thriller without beginning or end, a hypersensitive and disillusioned script, life and death under a heavy sun, a virtuoso ballad playing on chance, friendship, and the engaging philosophy that infuses the series 'Saltiel's friends', by the same author.
