This gripping financial crime series tells the story of a dramatic fall from grace and an unsatisfiable quest for vengeance. The script is written with the participation of Philippe Guillaume, who is the head of the financial bureau of the most important daily finance newspaper in France, Les Échos. The series has been called an ultra-modern take on "The Count of Monte Cristo."

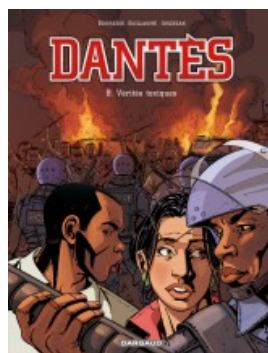

In this series

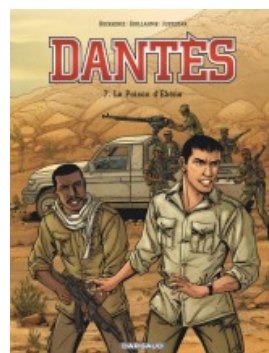

Dernier acte

Contrefaçons

Vérités toxiques

Le Poison d'ébène
