M for Mel and for Mirabelle. Mel comes from the French Alps, and is never happier than when living a healthy, well-balanced outdoor life, skiing and hiking through her beloved mountains. Such is her life, until the day when the other M (Mirabelle) comes along. A young Parisian journalist, curious, elegant, stubborn, over-sensitive and full of energy, nothing is out of harm's way when Mirabelle is around, not even Mel! A charming series full of nostalgia for the '60s.
