Elizabeth II - God save the Queen

Publisher: Petit à Petit BD

Genre: Biography & Memoirs, Biography & Memoirs

This book covers the entire life of Her Majesty The Queen, from her birth to her Platinum Jubilee, including her propulsion to the top of the order of succession to the British throne, her marriage, her coronation, but also the hardship during the crises of the 70s and 80s, the death of Lady Di, and the time she was a James Bond cameo alongside Daniel Craig. This is the life story of one of the most influential women in the world, who immediately understood how to use her image and who has not finished making the news!
