It is summer of 1967, and Antoine is 15 years old. He lives a calm and untroubled life, until the day when a mere tennis match turns his life upside-down. When Antoine beats Erik, his friendly adversary, Erik's father goes mad with anger at the announcement of the defeat. The very same night, he tries to kill Antoine and his father by running them over with his van, fortunately without success. A few hours later, Antoine's father disappears. Mixed up in all this, there is the mysterious Mr. Noah, a French intelligence agent. A harrowing spy plot with a literary style, complemented by 60s style illustrations in pop-art colour.
