Falafel sauce piquante

By Kichka

Publisher: Dargaud

Genre: Biography & Memoirs

14/09/2018

Acclaimed political cartoonist and comic book author Michel Kichka (Second Generation) brings us the fascinating, informative, and uplifting autobiographical tale of his love affair with Israel, a land he was inspired to move to at the age of twenty. From culture shock and Israeli customs to the mandatory military service, from art school to political conflict and human tragedies, he delivers a richly detailed account of his life as an artist, family man, peace advocate and Belgian Jew turned Israeli, living in the beautiful and troubled city of Jerusalem.
