Written by Jean-Patrick Manchette, 'Fatale' is the story of Aimée Joubert, a hired assassin who goes head-to-head with the public figures in a small coastal town. With a story adapted by Doug Headline (Manchette's son) and featuring artwork from Max Cabanes, this album is a follow-up to 'La Princesse de Sang'. Cabanes, who is completely at home in this world, is the new comic book artist for Manchette's works.
