When Kid Paddle, Big Bang and Horace shut themselves away to spend the night playing on their games console, we suspect that they will have a few particularly trying hours. On the menu are ALL the games in which the little barbarian is the hero. Hours of stress and underhanded tricks to look forward to as the little digital hero confronts the worst enemy ever encountered in a video game: the infamous Borks, who will pursue him tirelessly until the final GAME OVER.

In this series

Road Tripes

Rap Incident

Deep impact

Beauty Trap
