Sixty years already?! How time flies! Sixty years of laughter, crazy inventions, explosions, floods and torn-up contracts with a seagull, a cat, mice, musical instruments, and door-slamming supervisors falling down the stairs. Franquin's trademark character has touched the hearts of generations of readers with his spontaneous humor and natural charm. This year our cult antihero is blowing out his sixty candles. What better occasion to take a look back at some of his finest moments?
