15

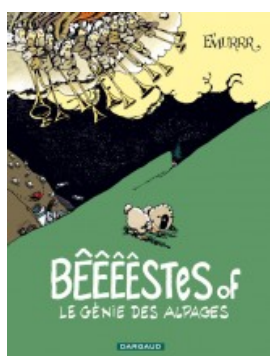

FORMAT
230 * 300

RELEASE
16/05/2008

F'murr's characters live high up in the mountains in that space between heaven and earth, just under the clouds. This is a world where sheep talk — and actually have a pretty high IQ! Athanaseus the philosophical shepherd and his sheepdog Romuald attempt in vain to instill a little order into this unruly herd. A masterpiece of charm and total nonsense.

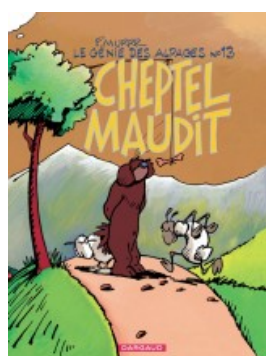

In this series

Le Génie des Alpes

...courent dans la montagne

Cheptel maudit

Bouge tranquille !
