She's a young woman of today, but she's an outlaw. It's her family's tradition: they're all prisoners in Russia, descended from a long line of robbers. Her grandmother survives on vodka and cornflakes. Her family only steals magical objects, however. Héliotrope is ignorant of her family history and has no idea of the dangers that weigh on them. She steals out of love, but is always disappointed.

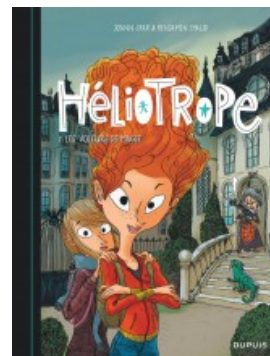

In this series

Le Prix de mes Larmes

Le Palais des voleurs

Les voleurs de magie
