Love Song is a series in 4 albums, which recounts the day-to-day life of 4 contemporary adults united by one passion: rock music. Each album will be narrated in the first person by one of the four protagonists: These long-time friends, with different personalities and in different walks of life, will each take very different approaches to the situations that face them. Each album is composed of a sequence of short stories, like the songs that make up a record.

Volume 1 refers to THE BEATLES

Volume 2 refers to THE ROLLING STONES

Volume 3 refers to THE WHO

Volume 4 refers to THE KINGS

Love Song begins on a lighthearted note, but little by little, the humor gives way to a darker and more serious tone.
