The United States, in the early 1950s. The ultimate example of a self-made man, Jay Sherman has fulfilled all his dreams: starting from nothing, he's dedicated his life and fortune to the success of his children, Jeannie and Robert. But then he sees his son — a candidate for President of the United States — assassinated before his eyes. This is only the first of a series of sinister reprisals, all apparently targeting Jay Sherman. Who is so angry at him, and why? Who is trying to murder him? It seems as if Sherman's past may conceal some dark secrets. And it's the job of FBI agent Eva Cruz to shed some light on the situation...
