Legend has it that in Baghdad the magnificent, the one aim in the life of the particularly ill-intentioned Grand Vizier Iznogoud is to usurp the Caliph (otherwise known as Haroun al Plassid)! With the help of his muscle-man Wa'at Alahf, Iznogoud stops at nothing to attain his ends... even if all his attempts seem to end in failure! Another gag-filled series from the author of ASTERIX, René Goscinny, illustrated by Tabary.
