A former journalist turned successful novelist, Jessica Blandy could have been just another pretty blonde under the scorching Californian sun. But destiny had other plans for her, leading her to cross paths with some of the most infamous characters of recent American history: the dubious politicians, serial killers, Satanists and demon worshippers of American society. Between a past that is too heavy a burden to carry and a tragic present, Jessica Blandy crosses swords with evil in all its guises, without daring to hope that one day she will wake up, and find peace...
