He was one of Russia's most powerful oligarchs, but Koralovski's refusal to submit to political pressure cost him dearly: 10 years in prison. A pragmatic and patient man, he never dreamed that he would be freed by a missile attack. Now inadvertently on the run, he soon finds himself at the centre of a conspiracy aiming to cover up a fact of huge geostrategic importance. All we have heard about the oil running out is a lie!

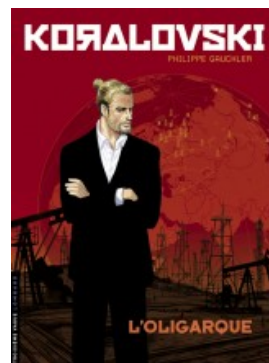

In this series

Des Horizons de feu

Dans l'ombre du monde

L'Oligarque
