A poetic fable for grown-ups full of wisdom and beauty, by two Belgian masters of graphic storytelling.

Out on the high seas lives a whale unlike any other, who spends her days reading stories to all who will listen, taken from the vast library hidden in her belly. When the whale bumps into a sea postman's boat one fateful night, it's the beginning of an extraordinary friendship. But not every story can have a happy ending...

In this series

La Baleine bibliothèque

La mer, elle, n'a jamais appris à écrire.
Alors, elle se noie, la mer.

Mais il n'y a personne pour se jeter à l'eau.
Personne pour la sauver...
Personne pour lui faire
la respiration artificielle...
Personne, non plus,
pour la porter en terre, la mer.
La mer qui s'est noyée.
